

## **Ruse, Veliko Tarnovo Old Town and Gabrobo! 4 days / 3 nights**

Cosmopolitan Hotel is located in the center of Ruse - "Small Vienna".

Refined, stylish and affordable - this is Cosmopolitan Hotel!

Created with the desire to provide its guests with a sense of coziness, hospitable atmosphere and maximum comfort during their stay.

Following the global trends of modern design, broken through personal experience and creativity, create a hotel with a distinct personality and excellent service!

Organize your seminars, teambuildings, press conferences or product presentations, as well as formal dinners and cocktail parties.

The new Vintage-style Hacienda Restaurant is a great addition to the complex. With its elegance and style, a heated winter garden with a sliding roof turns into a luxurious summer. It has a capacity of 500 seats for organized events.

For its guests offers a tempting culinary experience.

If the hotel is able to provide the peace and comfort needed for complete rest, the wellness center is the place where you can achieve complete harmony and indulge in an unforgettable experience.

Created in a unique and modern design at the European level, the gym is equipped with the highest class fitness equipment of the world leader in the fitness and wellness industry.

The innovative fitness center combines a closed range of services - active sports, healthy eating and body care.
